

THE **ACE** PROJECT

2022

IMPACT REPORT

MISSION

The ACE Project provides our youth with resources and experiences that will allow them to discover their talents and ultimate potential, which will assist them in being productive citizens in our communities.

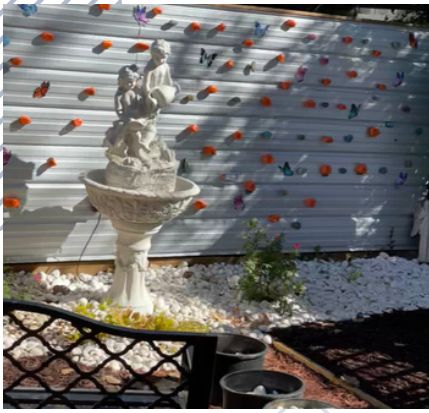

VISION

To transform the lives of underserved children and families impacted by gun violence and trauma through compassion, resources and unique opportunities.

Rose Smith speaks during a rally against gun violence in downtown Louisville, Kentucky on June 11, 2022. Her son, Cory Michael Crowe, was shot and killed in 2014.

OUR 2022 ACCOMPLISHMENTS

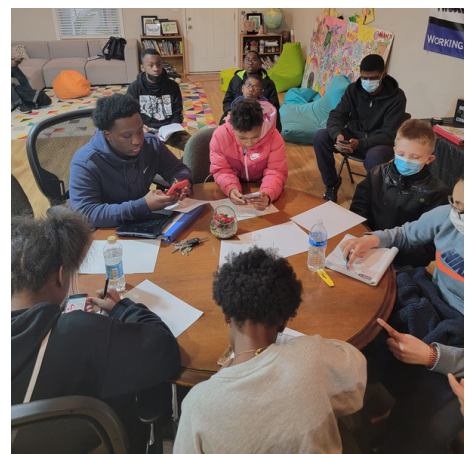

- We implemented three mental health retreats that provided victim support for over 100 people affected by violence.
- We implemented a curriculum that has a focus on weekly support groups, coping and conflict resolution. We give them tools and resources to help them with grief, healing and access to licensed clinical therapists.
- We hosted our Gun Violence Awareness walk to promote awareness and provide healing resources for the community. We unveiled the Ace Project Community Memorial Peace Garden. A place for reflection, nurturing growth, and healing for those who have lost their loved ones to gun violence.
